Dear Dr. Stein,

I wanted to take this time to sit down and write to you. I can't tell you how pleased I was with the chiropractic care I received in your office.

Imagine my delight when I was able to locate a certified Gonstead practitioner on my recent trip to Phoenix.

Being a Gonstead practitioner myself, I can fully recognize the highest level of your diagnostic and adjustment skills. The attention to detail you demonstrated in the care you provided to me are the hallmarks of a great chiropractor.

I appreciate your dedication and commitment to excellence in the Gonstead technique. It definitely shows in every aspect of your care.

You are truly at the top of your game! And your patients are indeed fortunate to have a DC of your caliber available to care for them.

Thank you again; and thank you for your love of chiropractic!

Yours in Health,

Elizabeth M. Ciavola, B.S. D.C.
